

BEST 2.0 Projects

Through the BEST initiative, SAERI acted as the regional focal point for the South Atlantic region and supported 6 projects from 2015 to 2019.

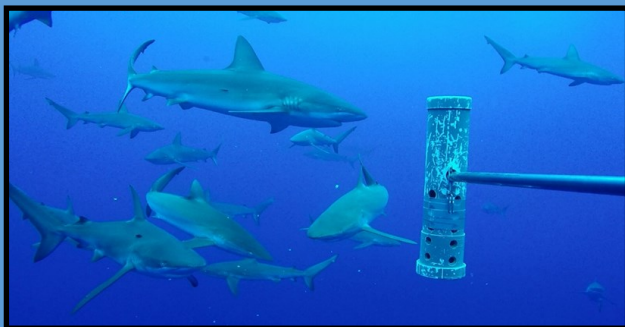

Outcomes

8 endangered endemic species are now benefitting from protection measures.

First systematic data collected on whale occurrence in the Falklands.

The project in Ascension Island contributed to the conversion of the Exclusive Economic Zone into the Marine protected Area.

Through these projects...

- ◆ 13 people have been trained on scientific and technical issues, of which 62% were women.
- ◆ 33 collaborations were initiated or strengthened within the territory.
- ◆ 10 public events across the territory reached over 4 thousand people.

BEST 2.0!

SAERI Falklands Limited (SFL) are the regional focal point for the next call of exciting projects, due to start in 2021!
